IT'S PERFORMANCE SEASON!

Our students love nothing better than to perform and no one does it better than they do!

Our Studio Black Box Theatre has been brimming with activity.

With performances of Chicago & Sweet Charity having performed to sold out audiences, we now prepare for Cry Baby (May 16 & 17)

On May 31st, our pre-schoolers take over the Studio theatre with their performance of "Mary Poppins".

Voice and Piano students will perform June 2-7 and then we head into our grand finale of the JUNE SHOWS at Abington High School!

Please review the class show and dress rehearsal assignments here.

Smile!

During the first few weeks in May, we will be taking some video of students in class to create a short candid snapshot to add to the video of their performance.

Videos will be distributed digitally, post show. Prepare to be on camera!

We love meeting your pets.

We must ask, however, that all pets wait for their humans outside. Thank you!

Registration for returning students will take place early July. We will send you an updated schedule and be available to talk about placement.

Registration for new students will begin Aug. 3rd.
