## Thank you!

Celebrating Our 40th Season: A Remarkable Journey

Our 40th season has been an extraordinary success,  
and it's all thanks to each and every one of you!

We certainly had a busy year, commencing with our Holiday Concert, followed by three Studio Theatre productions, preschool shows, voice and piano recitals, and, of course, our year-end June performances. Adding to this were our highly successful competition experience, social events, and valuable class time, all contributing to an exceptional program.

We are thrilled to announce that we were recently awarded the “Broadway Cup” for excellence in the arts by Access Broadway. Among all the studios competing nationally, ours achieved the highest overall score. The Broadway Cup will be presented to us in July and will be displayed in our lobby for everyone to enjoy.

Beyond these accolades, I want to express that creating this studio and our studio theatre has been a lifelong dream of mine. Even during my professional performance career, I envisioned a day when I could dedicate myself to cultivating an extraordinary space for young artists to thrive, grow, learn, be seen, and be heard. I have immense faith in our youth, and it is a true honor and privilege to be a part of their journeys.

From the bottom of my heart, I want to thank each and every person who has contributed to the realization of my dreams. I wish the same fulfillment for all of you!

## Fall Registration

Registration for returning students will open mid July.

We will be working on establishing the schedule with some new options in addition to our traditional classes. We will be sure to notify you as soon as we are ready to help you choose the best program for the 2026-2027 season!
