

SEPTEMBER 2026

A NOTE FROM THE DIRECTOR

We enjoyed a wonderful summer here at the Capachione School. The studio was brimming with activity and excitement.

Our teen & adult students were introduced to Pom Dance and it took off like wildfire!

Our young students enjoyed week-long camps with lots of singing, dancing, crafts, performances and of course...ice cream!

Our Pre-Teen camp was wildly successful with Legally Blonde jr.

It was wonderful to watch both newer and seasoned students work alongside one another. New goals were met and lots of personal bests were achieved.

The summer finished out with amazing performances of Carrie.

The Teen Camp proved, once again, that our teen students are an elite group of students working at a collegiate level.

The curtain has closed on summer theater only to rise soon on the excitement of the new season.

We anxiously await the start of classes on September 14th.
